Tuition Requirements: Tuition is \$2,200 for the first child and \$1,700 for additional children, per year. Tuition is billed monthly by Northwestern State University, Fiscal Affairs, and is due in full by May 1st of the school year. A \$100 supply fee is due at the time of enrollment.

IMPORTANT: In order for an application to be considered for enrollment, all fields must be complete. A proof of residency (current utility bill), recent test scores (Grades 3-5) and current report cards (Grades 1-5) must be attached. Incomplete applications will not be considered for enrollment. Applications must be updated on a yearly basis with current records in order to be considered for enrollment.

I understand, expect, and hereby authorize the use of my child and the child's school records for testing, observation and class video taping, and experimental research as needed by University personnel and University students as approved by the University. I hereby agree to pay the tuition and supply fees that are required for admittance and continued enrollment in the Elementary Laboratory School.

By my signature below, I attest that the information provided on this application is true and valid. I understand intentional misrepresentation of information is not legal and will permanently disqualify my child from attending the school.

I am prepared to pay the full amount of tuition of \$2,200 per year if enrolled.
