Phone (318)238-0066 Fax (318)238-0067

Welcome to our Strong Start

Back to School Soft Start

All students will be returning to school the first week in reduced numbers one-fifth of students. Students will be assigned day to attend by the child's last name.

August 31 - A - C

September 1 - D - J

September 2 - K - O

September 3 - P - S

September 4 - T - Z

September 8 - All students attend

If you have children with different last names, and it causes them to attend on different days, please call the school office.

Precautions to protect your children, our staff, and community:

- Administrative staff will be monitoring the carline and bus line in the mornings and afternoons.
- Temperature taken before exiting car (monitor with hand held thermometer) in the mornings
- Student with temperature ≥ 100.4 will be asked to remain in car and return home.
- Carline students will enter the building in the (JAG)hallway entrance to the right of the double gym doors
- Buses will unload one bus at a time allowing students enter in a single file into the building
- Bus riders, walkers and staff will have temperature taken upon entering building (monitored with thermal camera), those who have temperature registering 100.4 or greater, will discretely be directed to the COVID isolation room.
- Entry doors remain open during arrival time, 7:00 – 7:40, to reduce repeated touching.
- Face masks to be worn upon entering as well as inside the building
- Students will use sanitizing stations upon entering building

- 30 Hand Sanitizing Stations located throughout the building
- Hand Sanitizing spray in each classroom
- Students will collect breakfast in a to go container and report to assigned static room location
- Educate students on hygiene for handwashing, respiratory etiquette, and cleaning face mask daily
- Static groups of Phase 2 guidelines with 1:24 ratio teacher to student
- Social Distancing in class and in halls, six floor tiles apart
- 1:1 device ratio/ Devices will be disinfected after each use and end of the day
- NO Sharing of school materials
- Spacing between desk increased within classroom setting
- Wash Hands with soap and water after restroom visits and before eating lunch
- Students will eat lunch with their static group
- A disinfectant fogger will be used to routinely clean high traffic areas, i.e., cafeteria, restrooms, gym, etc.
- Disinfectant and gloves supplied in each classroom for teachers cleaning between electives and as necessary through the day and end of the day
- Avoid touching surfaces in the hall (Posters on Safety displayed in class and halls)
- Students may attend gym while remaining with their static group in partitioned area
- Dismissal: Students will be dismissed from their static assigned class via intercom and phone communication upon arrival of their transportation home.
- Report positive test for virus Principal

Visitor Procedures

Following CDC guidelines, we are limiting entry into the building for the safety of our staff and students.

If you would like to:

- Check-in/check-out a student
- Drop off documents
- Speak with office staff or schedule an appointment for a conference

Please call
(318)238-0066

Those visitors entering the building will have temperature taken before entering.
