

2021 ANNUAL HEALTH INSURANCE ENROLLMENT

Annual enrollment for the 2021 plan year is this month. This is a passive enrollment. If a member would like to remain in their current OGB health plan with the same covered dependents for the 2021 plan year, they do not need to do anything. Their coverage will continue for the 2021 plan year. Active employees may make a change to their current coverage through the OGB annual enrollment portal by visiting the website @ www.info.groupbenefits.org. Once the change has been made, members **must print or download their own confirmation page** from the web portal and **return a copy to the Personnel Department**. This is to ensure that your change has been properly submitted.

Please note:

1. **If you do not wish to enroll** in the Office of Group Benefits health insurance, you need to **complete the attached waiver of coverage document, sign and return the document** to the NPSB Personnel Department **ASAP**.
2. Members enrolled in the Pelican HSA plan **MUST** update their contributions for 2021 on the OGB website and print a copy of their confirmation.
3. Grandchildren may be covered if the grandchild is unmarried, resides with the enrollee and is in the legal custody of the enrollee. Coverage will continue until age 26.
4. Dependents who are unmarried and in court-ordered legal custody/guardianship of the enrollee will be covered until age 18.
5. Active employees' life insurance premiums are determined by age (visit the OGB website). Active employees may only apply for life insurance during the OGB annual enrollment. These employees are required to provide evidence of insurability to the insurer.
6. **All changes must be made by November 9, 2020.**

****Please see the attachments and the increase in the health insurance premiums for the 2021 plan year.**
