**NPSB to Hold Town Hall Meetings in April for the Discussion
of a New Consolidated District**

NATCHITOCHE, LOUISIANA – The Natchitoches Parish School Board will be holding town hall meetings in the month of April to gain feedback on the possible construction of a new high school for the new consolidation of Districts 6, 8 and 10.

The suggestion the board is proposing is to combine District 6, 8 and 10 into one consolidated District 11. As an incentive to consolidate these 3 districts, the board is proposing the creation of a new high school in the area that would serve Cloutierville, Provencal and Marthaville.

“The school would be a 2A school with full programmatic offerings,” says NPSB Superintendent, Dr. Grant Eloi. “We are holding two town hall meetings to invite public input on this process, which includes both district consolidation and the new high school.”

The two town halls will take place at Provencal Elementary/Jr. High School on April 20th at 6 p.m. and Marthaville Elementary/Jr. High School on April 22nd at 6 p.m. Both meetings will take place in the school gymnasiums.
